good idea 🤔

karl

Yo big dog

why does everyone keep calling me that

Idk but it fits

Why are u encouraging george

you know he isn't the type of guy to do rebounds SUCCESSFULLY... he gets attached way too fast to everyone he dates

and then gets hurt

quackity he's finally getting out of his sad zone

all he's been doing lately is baking and listening to mitski

Wilbur

Sorry for the ratty old van :) I could have gotten a bus too but I didn't want to go too far.

quacky

you made us live in a strangers Air BnB for 10 days and pretend its yours but getting a BUS was too much for you?

Wilbur

Yes

BadBoyHalo

So happy to be part of such an epic adventure with all of my best friend and sons 😊 Just wanted to let you know that if you speak a single word in this van then the vibrations will aggravate the bees that live in the trunk!

Dream Is Missing

whyr did u say sons plural

Should we text the whole time then?

Yes George 😊

isn't it interesting how we keep ending up in situations where our only option to narrate our happenings is through text or tweeting :) almost like our lives are crafted to fit some kind of medium

what

no shut up

anyways

let's start driving the trip is 20 hours long we shouldn't waste more time

karl

hey quackity do you think george is ok?

do i "think" george is "ok" ?

karl he's been texting me the entire script of la la land line by line. He hasn't even googled it he just has it memorized.

So no i don't think george is OK.

i just have to say i've never george this upset over losing a guy before

Do you not remember how the two of us had to staple georges clothes onto his bed to stop him from trying to head-first dive out of the window of our apartment after Sapnap cheated on him?

i do

karl

i just think it's sweet george
always seems to care way too
much abt his boyfriends but right
now he seems genuinely stressed
out. He's chewing on your Beanie
out of stress <3

thats not my beanie

What

it was just lying in the van before
we came but he already started
chewing on it so i dont wanna tell
him

Ummmmm

well anyways

i hope this works out for george
and dream i rly do

Wilbur

Hello corpse it is Wilbur the person sitting opposite you in the van

I know I have your number saved

Cool 😊 well i just think now is better time than ever to tell you that i have a crush on you and want to be together

?Seriously

We are trapped in a van with four other men travelling across the country to go to Disney to pick up my roommate

do u really want to have this conversation right now

I cannot think of a single better time

Wilbur

Idk I don't wanna have this conversation m i'm not in the right headspace

Am i not good enough for you?

let's do this later

sorry i'm not Donald

what

sorry i cant be Donald the duck

what are you talking abt I never said I wanted u to be donald duck

Well you don't have to say it for me to realise it. All you've been doing is talk abt Disney land and Goofy and all the mickey mouse cast and I dont understand any of it. They didnt have Television back in England

Dream Is Missing

This actually isn't so bad now. The silence is comforting and the views we pass are beautiful. This whole experience actually... Idk I feel like it's an experience to cherish. It's like a beautiful song... We're just driving 20 hours in an old van... through the cold wind... The interstates we passed are kinda getting paved with these memories. This is amazing...

Theft, Shop lifting, Trespassing, War crime, stealing a van, stealing a plane, crashing a plane, burying the evidence, Starting a cult, returning artifacts from the British museum to the original owners, Public intoxication, Public execution.

Wilbur

Getting caught by the cops and escaping. getting caught and escaping again. Repeating this 12 times. Changing my name and face. Moving to a new college. meeting friends. going to Disney. killing a man. Being the next pope. Being the current pope? Embezzlement. Tax fraud. Injury. Eating a grape in Walmart

These past months of my life have been crazy. Heartbreak, Falling in love, seeing my boyfriend as a Goofy mascot, etc. Was getting cheated on was horrible? Yeah. But if I could go back in time I wouldn't change a thing.
